The Official Newsletter of the KILROY Chapter
Military Vehicle Preservation Association

March 2010

This month's meeting was hosted by your Newsletter Editor at the Golden China Buffet in Radcliff. Due to a combination of distance and the fact that UK was playing that night, we only had six members present. We honored our flag with the Pledge of Allegiance and then went to work on the buffet. The buffet was excellent along with great service and we were all appreciative of Bill Scott picked up the tab! Despite six members present, we had two new members join KILROY. They are Don Crum and his son Steve. Don has been a long time collector of militaria and has displayed many components of his collection for official functions at Fort Knox. I have had the pleasure of knowing Don for 22 years and sharing many a display with him. His son Steve has been a collector of toys and trains and has shown both at numerous antique shows in Louisville and on E-Bay. Don and Steve have recently opened a store, in Radcliff, and I have attached their flier to the newsletter.

Bill Scott reported that our intrepid keeper of the e-mail Tom Woodburn steadily improves and we hope to see him this summer at a meeting or event. We talked about upcoming events and looked at which we can support and the equipment needed for displays.

Treasurer's report indicated that we have \$1818.13 in the back. A last reminder that dues must be paid by the April meeting or you will be dropped from the rolls. If you have not paid yet, be sure to bring yours dues in for the next meeting.

A week after our meeting, I traveled to MVPA Headquarters for the winter meeting of the Board of Directors, where I was sworn in as one of the four new members. We traveled to Topeka Kansas and toured the 2010 convention site. It is on the grounds of the former site that hosted the Kansas State Fair and is well laid out. There is a large hall for all the vendors, with a short walk to an arena, (still indoors) where the vehicles will be displayed. The convention hotel is right next door and even has a covered entrance to the convention facility.

Friday night and all day Saturday was spent on MVPA business and budget. We had a late dinner on Saturday and I came back Sunday. Will brief you more about the convention on Thursday.
